The following amendment is hereby issued replaces cl. 3.4 of the sailing instructions regarding which side of the start boat the **double handed entrants** start on:

3.4 Start Line: Also described in **Addendum A of these SI's.**

The start line will be a transit between the SE corner of Devonport Public wharf and the western bluff on Hobson Point across the harbour. This is an approximate bearing of 339 deg True toward the Devonport public wharf. The RNZYS Start Boat will be positioned approximately 1000m from the SE corner of Devonport on the start line. There will be two buoys laid to mark the length of the line. They are:

2. An orange buoy 300m in an approximate SE direction off the start boat (Buoy "B").

Divisions (1), (2), (3), (4), and (5) start between Buoy A and the Start Boat leaving the Start Boat to Starboard (this line is approx 1000m long).

Divisions (6), (7) and (8) **double handed** and solo entrants start between the Start Boat and Buoy B (this line is approx 300m) leaving the Start Boat to Port.

All sound and visual signals will be made from the Start Boat.

Boats whose warning signal has not been made shall avoid the starting area as described in Addendum A of these SI's.
